Thousands Bless Dr. Leonhardt, the Physician Who Discovered a Common Sense Remedy.

If you think that the surgeon's knife is the on' method of escape from the misery of piles, it's because you haven't heard of the new treatment known everywhere as Dr. Leonhardt's HEM-ROID.

ROID.

The Doctor's treatment is mostly internal. By experimenting for years he discovered the exact cause of piles, and then went further and compounded a remedy that would remove the cause.

Dr. Leonhardt wants every sufferer to benefit by his discovery, and so that there w... be no doubting or delay he has authorized N. D. Sevin & Son, and all druggists who handle HEM-ROID to guarantee it to do as stated or money back.

On that honorable basis every sufferer should secure a package of Dr. Leonhardt's HEM-ROID today.
